Dear Past District Governor Suzzi:

Please be advised that I have considered the application of the Bikers Lions Club MD 108 Italy to use the name "Lions" and the association's emblem in connection with the organization's lawful corporate activities.

Accordingly, under the authority of the International Board of Directors, I am happy to grant herewith a non-exclusive license to the Bikers Lions Club MD 108 Italy to use the name "Lions" and the association's emblem in accordance with the association's trademark policies (available at <http://www.lionsclubs.org>). This license shall continue until revoked in writing by the International Board of Directors or its designee. However, in order for this license to continue, a copy of the organization's corporate documents and a list of its sponsors must be submitted annually to the Legal Division for review.

On behalf of the association, I wish to take this opportunity to express our appreciation for the cooperation given in this matter and to wish the Bikers Lions Club MD 108 Italy many years of success in its chosen endeavors.

Very truly yours,
